

Echopraxia

By Peter Watts

Head of Zeus. Paperback. Book Condition: new. BRAND NEW, Echopraxia, Peter Watts, It's the eve of the 22nd century and the beginning of the end. Humanity splinters into strange new forms with every heartbeat: hive-minds coalesce, rapture-stricken, speaking in tongues; soldiers forgo consciousness for combat efficiency; a nightmare human subspecies has been genetically resurrected; half the population has retreated into the ersatz security of a virtual environment called Heaven. As an unaugmented, baseline human he's an irrelevance, a living fossil for whom extinction beckons. But he's about to find himself an unwilling pilgrim on a voyage to the heart of the solar system that will bring the fractured remnants of mankind to the biggest evolutionary breakpoint since the origin of thought. Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

The publication is easy in read better to understand. It is written in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
