

Creation vs. Evolution: The Vedic Perspective

By Vimal Sehgal lit Delhi B Tech

Createspace, United States, 2010. Paperback. Book Condition: New. 211 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book I have given the Vedic theory of Life which incorporates consciousness as the primary characteristic of life. I have given a scientific analysis of what life is and described the characteristics of both Life and Matter and their points of similarity and distinction. I have discussed evolution and then described an alternate theory namely the Vedic theory of evolution of consciousness as opposed to Darwin s theory of evolution of species. The theory of evolution of consciousness is based on creation of various species by God so as to accommodate the varied desires of an infinite number of living beings. The Vedic theory of evolution of consciousness marks the dawning of a new era in which consciousness will come to be incorporated as an essential item in our scientific theories about life and its origin. Topics covered are: * What is Life? - Life vs. Matter * Proof of God s existence * Evolution * Evolution of consciousness * Moral implications What is Life? Is life simply a product of or combination of material elements?...
