Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Letters to My Children is basically a christian based book about raising Godly children and all the challenges that come with that. It is a book comprised of 17 letters written to my children over the span of their teenage years. I wrote this book to encourage other non-perfect mothers out there doing their best to train their children the way they should, according to God's word. The letters share my heart, helping them through their struggles, teaching them good morals and guiding them through life's complications. It deals with all the situations your teenager will face, sex, dating, self-esteem, drinking, making good choices, being who you are meant to be, living up to your potential, boys, girls etc. Letters I feel are very real to what every parent deals with. The book is funny, real, encouraging and helpful to all mothers who feel they need help raising their kids.
