Thomas Nelson Publishers. Hardback. Book Condition: new. BRAND NEW, The Seven Decisions: Understanding the Keys to Personal Success, Andy Andrews, Just one of these decisions can alter the course of a person's life. What if you decided to master all seven? In this revised and repackaged version of Mastering the Seven Decisions, master storyteller and life coach Andy Andrews has fast-forwarded the concept of success and what it takes to make it stick. Seeking out what separates the ordinary life from the extraordinary, Andrews has spent much of his life dissecting countless biographies and spending time with some of the most successful people on the planet in an effort to understand the principles that propel them toward greatness. The result: seven simple principles that - when applied consistently- render extraordinary lives. Through his entertaining, down-to-earth style, Andrews introduces these principles and offers all the tools necessary to make lasting changes in your life. The consistent application of the Seven Decisions brings about what can only be called miracles: What was once labeled "impossible" actualizes. Opportunities that once eluded you are now attracted to you. Dysfunctional relationships transform into harmonious ones. Life, which was once a struggle, now becomes an exciting adventure!
