

Dissident: Part One in the Bellator Saga (Paperback)

Filesize: 8.53 MB

Reviews

Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on. You may like just how the article writer compose this publication.

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I will always be with you. Rising Democratic star Caroline Gerard hasn't had an easy year. After losing her husband, she is raising two small children alone while trying to navigate the tricky and sometimes shallow halls on Capitol Hill. A string of nasty speeches has her scrambling to apologize to any number of candidates, including newly elected Republican Jack McIntyre. Falling in love again is the last thing on her mind. Jack McIntyre might have a reputation as a playboy, but he has his sights set solely on his new colleague. Can he break through Caroline's grief and capture her heart? Told mostly in flashback and set against a chilling fascist backdrop, Dissident is a rollercoaster ride of political intrigue, passionate contemporary romance, and undying love. For readers 18+. Ends in a cliffhanger. The first part in a six book saga.
