## SUN CITY: VOLUME ONE OF THE NASO DIARIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The perfect life and beautiful death of a gangly little mermaid. .By grace of the human mind we can contemplate and prepare for death. Naso couldn't do that, but the countervailing grace is that she lived as though she were immortal until the moment she died, her head nestled in my lap. The last she saw of me were my red-rimmed eyes. The last I saw of her was her smile. She lived a perfect life and she died a beautiful death and she never once knew even a moment's regret. But she was a little mermaid - every dog is a little mermaid - always on the outside looking in, a misfit in a world she would pay anything to be fully part of. She gave up everything she had to be with me, and she walked on knives every day we were together so we could be together. She loved me like nothing I deserved, and I almost never paid her the love she earned from me in everything she did. She worshipped me, and too much I ignored her. But the little mermaid lives her life her way, always, regardless of how I failed to live up to mine. I was blessed to know her. I was graced to have her in my life for as long as I did. And I will miss her forever. Willie's wager: Sun City, a new skein of Willie yarns, is going to make you cry. Uncle Willie wants to make you cry. But it'll be a cleansing cry, I promise. Sun City is the collection of stories Willie wrote as his ten-year boon companion, his big...
