Trucking Freight Brokerage Business Start-Up Step by Step Guide to Become a Successful Freight Broker The idea of owning a business crosses everyone s minds from time to time, and I was no different. For the majority, all that really comes along is a fleeting thought that never gets much true consideration. There are many reasons why people are afraid to take the plunge - they do not have access to substantial funds, they are afraid to lose the security that comes with a steady paycheck, they believe they will have even less time for family and other commitments, and a host of other I just can t do it excuses. But the biggest reason that most people never try is simple - they are terrified of failure. I was no different as I mentioned, I have gone through all the phases that most go through before getting into their own business, but being a OTR truck driver, I was gone weeks at a time. I still loved what I was doing, but I had been married now for several years, and we had two children with a third on the way. I missed my family when I was gone, and it was hard on my wife as well. Then that little voice in my head came back and whispered, Open your own business. This time I was in a position to listen and listen I did. When I look at the faces of my family and know without a doubt that running my own Freight/Trucking Broker Business was the best decision I ever made. I make my own hours, work right from home, and never miss any of those important...
