*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## TOWARDS SANITY (PAPERBACK)

Joseph Pirrello, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Joseph Pirrello was on his way to becoming a classical virtuoso on the piano when he experienced his first psychotic episode at the age of eighteen. Over the next decade and a half, he found himself struggling to maintain a facade of normalcy, while inside he slowly unravelled. From his stint in an all-Italian wedding band to a year spent in Tuscany, where he lived a bohemian life surrounded by artists and musicians, to a jazz-soaked semester as a music student in Montreal, Joseph takes the reader along on his sometimes humorous, heart-rending journey to find success as a musician while dealing with his yet-undiagnosed bipolar disorder. With unflinching honesty and insight, Joseph's memoir recounts what it's like to live with a mental illness. Once officially diagnosed, Joseph finds support in the Toronto-based mental health rehabilitation centre, Reconnect, where he sets out to put back the pieces of his life--and makes a surprising self-discovery that takes his life in a new direction. Filled with hope, this book attempts to find a silver lining in what is a devastating diagnosis, without diminishing the seemingly insurmountable challenges that mental illness brings. It is also a testament to the importance of friendship and acceptance without judgement.
