Her problem is that she doesn t understand them or how to use them. She tried asking her mother, but she only punished her. The only person willing to help was a Native American Sioux and he was dead, not that that put Megan off. Megan s parents take her shopping, where there is an incident, which Megan helps to put right. She is thanked by the police and the ambulance staff. It is the first time that she uses her powers for anything useful. Later, in the afternoon, there is a family party in a marquee, but it is the evening with her friends that she is really looking forward to. She meets a boy there and gets her first kiss from a non-relative.
