Hackworth, one of America's most decorated soldiers, lays bare his most daring and legendary tour of duty. 1966 With a full year of Vietnam combat and five months of in-country intense after-action analysis under his pistol belt, Hackworth pens the classic tactical handbook the "Vietnam Primer with military historian Samuel Marshall. In a radical shift from the World War II-era tactics then employed in Vietnam, Hackworth stresses the necessity of using disciplined, small units of well-trained men to best fight the hit-and-run warfare of the elusive Viet Cong.
