## SPACE CHRONICLES: FACING THE ULTIMATE FRONTIER

To save **Space Chronicles: Facing the Ultimate Frontier** eBook, make sure you access the button under and download the ebook or have accessibility to other information which are in conjunction with SPACE CHRONICLES: FACING THE ULTIMATE FRONTIER ebook.

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 8.2in. x 5.4in. x 1.0in. A compelling appeal, at just the right time, for continuing to look up. Air and Space Americas space program is at a turning point. After decades of global primacy, NASA has ended the space-shuttle program, cutting off its access to space. No astronauts will be launched in an American craft, from American soil, until the 2020s, and NASA may soon find itself eclipsed by other countries space programs. With his signature wit and thought-provoking insights, Neil deGrasse Tyson one of our foremost thinkers on all things space illuminates the past, present, and future of space exploration and brilliantly reminds us why NASA matters now as much as ever. As Tyson reveals, exploring the space frontier can profoundly enrich many aspects of our daily lives, from education systems and the economy to national security and morale. For America to maintain its status as a global leader and a technological innovator, he explains, we must regain our enthusiasm and curiosity about what lies beyond our world. Provocative, humorous, and wonderfully readable, Space Chronicles represents the best of Tysons recent commentary, including a must-read prologue on NASA and partisan politics. Reflecting on topics that range from scientific literacy to space-travel missteps, Tyson gives us an urgent, clear-eyed, and ultimately inspiring vision for the future. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
