OECD Skills Outlook 2014 (Paperback)

By -

Organization for Economic Co-operation and Development (OECD), France, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Young people face both structural and cyclical problems to successfully integrate the labor market. Lack of appropriate skills and difficulty in applying those skills effectively are at the core of these problems. OECD Skills Outlook 2014 examines how policies can help young people develop, activate, and use their skills to increase their short- and long-term employability. A comprehensive approach is required to raise the employability of youth. While education, social, and labor market policies have a key role to play, coordination between public policies and the private sector is also crucial. Building upon country examples and the results of a comprehensive survey of adult skills, OECD Skills Outlook 2014 provides an integrated, holistic approach for fostering youth employment.

Reviews

Comprehensive guideline! Its this sort of good read. It is actually written in simple terms and never hard to understand. Its been developed in an exceedingly simple way which is just after i finished reading through this ebook where actually changed me, modify the way in my opinion.

-- **Mabelle Wuckert**

The ebook is simple in read easier to recognize. It is one of the most awesome book we have read through. I am happy to explain how this is basically the finest pdf we have read inside my very own lifestyle and may be the finest publication for actually.
