Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It could be a viral outbreak. It could be a bio-chemical terrorist attack. It could also be a heaven-sent retaliation. It could even be a curse from a generation past, sent to make us pay for a long-overdue debt. It s no longer a question if it s going to happen. It s more of a question of are you ready for it? Unlike a nuclear apocalypse or collapse of a global market, the stakes are different when it comes to a zombie apocalypse. From preparation to everyday tactics, major changes should be made to ensure you outlast an outbreak. This manual is designed to help you prepare and survive a zombie apocalypse. From telling you what to prepare to what to do, you ll know almost everything you need to make sure that you come out on top of such a catastrophe. Besides provisions, materials and equipment, you will also read about survival mechanics during encounters to ensure that you walk away with your humanity in any given situation. In a world where everyone is trying to turn you into one of them, your sanity and humanity are your most prized possession. Here, you will learn techniques to safeguard those very possessions. With proper preparation and training, you can become a stronghold for your family and loved ones when the time comes that humanity faces their last stand against their own former flesh.
