KW Publishers, New Delhi, India, 2015. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Despite a long historical experience of cultural, economic, political and social interaction with Europe, South Asia has never been a region of frontline policy for the European Union, which has gradually emerged as the largest trading partner of most South Asian economies, a major contributor of developmental aid, and home to a large diaspora, mostly in the United Kingdom. Containing nine chapters by emerging and leading scholars in the field, this volume critically examines the motivations, objectives and impact of the European Unions development cooperation, economic and foreign policy towards South Asia. It raises and seeks to answers questions like What role can the EU play in easing tensions between India and Pakistan in times of crisis? Is there an official EU policy regarding Kashmir or the challenge of terrorism? What is the nature and prospects of the India-EU strategic partnership? The book explores the European Unions concerns and policies towards fostering democracy in the region. It assesses the crisis management capabilities of the EU in Afghanistan, its role in conflict resolution in Sri Lanka, and the patterns, characteristics and challenges confronted by the South Asian diaspora in the United Kingdom. The study will be of interest to all those engaged in the fields of political science, international relations, European politics and foreign policy and Indian and South Asian foreign policy. Printed Pages: 200.
