Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

The Cunard line is on the great thoroughfare between Europe and America, over which passes most of the valuable freight to this country. In view of these facts, I am satisfied that the amount stipulated in your bill to be paid to the proposed line can not be considered as more than One-half the compensation paid to Mr. Cunard.
