On 5th July 1984, Diego Armando Maradona arrived in Naples by helicopter, and for seven years all hell let loose in the Italian South. For so long the ailing giant that was SSC Napoli had criminally underachieved. Their fanatical support unequalled in both passion and size across Italy. None was more feared or hated. And how they ached for success. A history dramatic, explosive and tragic. Like the finest Italian operas. In a city where the devil would have needed bodyguards, Maradona became bigger than God himself. A perfect storm: Welcome to Naples! And the subject of much heated debate both online and off. Like Diego Maradona himself, it has divided opinions. No middle ground, it has always been loved or loathed and never ignored. But it is still standing and has finally...
