AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a biblical approach to the recovery from obsessions. The obsessions can be as minor as fishing too often or as major as full blown addictions to drugs. The point is that Jesus Christ gave us guidelines on how to moderate and on how to be healed when necessary from these obsessions. The outline from Matthew in the New Testament is where Jesus teaches us the format for recovery. It is why he starts with being poor in spirit and ends in being persecuted for your beliefs. This simple outline from Matthew 5:1-12 is where basically all recovery programs have their origin, and I have included in the back of the book a chapter titled The beatitudes and their correlation to the twelve steps. It is the premise of this work to bring clarity to the truth that has always been in God s Word. It is a work that reads well and was a pleasant task to write. I hope you will enjoy as well as benefit from its pages. Thank you for your consideration and for taking the time to read this brief edit. Dennis Wright.
