Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

HarperCollins Publishers, United Kingdom, 2012. Paperback. Book Condition: New. 176 x 110 mm. Language: English . Brand New Book. HarperCollins is proud to present its new range of best-loved, essential classics. Caution comes too late when we are in the midst of evils. Set just before the Jacobite Rising in 1715, Scott drew upon the political and economic struggles leading up to the rebellion and the tumultuous history of the Highlands in his classic adventure novel Rob Roy. Despite the book's title, Frank Osbaldistone is the protagonist, travelling through England and the Scottish Highlands to collect a debt owed to his father by his cousin Rashleigh. On his journey he comes across the mysterious and striking Rob Roy, the infamous yet hunted outlaw. A story about justice, love and the harsh realities of 18th-century Highland life, Scott's work is still viewed as the ultimate historical adventure novel.
