Those who welcome pets into their lives are familiar with their silent communication and uncanny abilities to perceive and interpret the subtleties of our lives. Companion animals often demonstrate unexpected and astonishing awareness. Many animal behaviors can be explained by basic principles of science, but what about those sudden bursts of insight animals exhibit, the bewildering moments of clarity for which they could not have been trained? These are the mystifying occurrences for which there can be no scientific explanations. SEVENTH SENSE is a thrilling new book that gives animal lovers a provocative glimpse into the animal mind. It contains more than 50 true stories of animals using their senses in ways we might never imagine. Pets just like yours transform into teachers, nurturers and heroes, performing stunning exploits that defy reason. These are the unsolved mysteries from the world of animals. The truth is stranger than fiction in this book brimming with tales that stimulate and fascinate our sense of wonder. Experience the chills, the tears, the joy and heartwarming emotions these stories will...
