

The Other Path: Illuminating the Path Toward Reduced Volatility While Achieving Equity-Type Returns (Paperback)

By Robert J Klosterman Cfp(r)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In today s rapidly evolving world of finance, investment plans that may have been effective years ago no longer yield the same results. An abundance of information exists in the marketplace about traditional forms of investing-stocks, bonds, mutual funds-but what about more unconventional instruments? A Google search may yield millions of results, but without proper vetting, determining the correct, most reliable course of action when managing your portfolio can be difficult. This detailed and informative guide reveals the challenges of market fluctuations and illuminates nontraditional strategies that can help secure your financial plan. An expansive look at the alternatives teaches you to ignore all the noise and focus on the signals. Discover innovative ways to identify risks, and become familiar with the three components for optimum diversification: core investing, diversifier strategies, and absolute returns. Each of these factors is one piece of the overall puzzle. Investing isn t an exact science-it s knowing how to synergize the separate components to create the optimal result. Through detailed and accessible descriptions, The Other Path takes the road less traveled by revealing distinctive methods...
