Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.The Author entertains us with a little appetizer. The Gareth trail opens up. But Cassie is obsessed with the lost trust and sees the Open Road as an escape. Brilliant in its depictions of Las Vegas and parodies of the Mob. Visit Cassie s hideaway in the wilderness of Wales. Cassie summons up those tears for his lost dog but we know Walter will find him again. The scene in Orgi-Organism Inc in Las Vegas is a revelation based on the author s own experience and a guide to all those seeking wild sex in the Capital of Sin. The end of this short tale is startling. And, like all good oeuvre, it leaves us hungry for more.
