### ***Reviews***

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.*

Numen Books, Australia, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Twenty Tales on the Political Economy of Quality is a highly philosophical dissertation written in the context of a series of dialogues. This is no fiction, however, as far as the content is concerned. Twenty Tales on the Political Economy of Quality is an attempt to go beyond the modern epistemological framework on economic matters, based in one way or another, either on collectivism, whatever its label or on dogmatic liberalism or subjectivism. Currently the traditional pre-modern narrative as a whole seldom goes beyond a mere judgement of value on economic matters, and as a result the way economic activity is really taking place is either ignored or bypassed. In Twenty Tales on the Political Economy of Quality the author has followed the metaphysical or perennial point of view as consistently as possible. Being in possession of the Elixir of Life, the main protagonists of the book wander throughout the world for centuries. They meet at random in Geneva s Cornavin rail road station in 2012 and adopt the nicknames Pangloss and Cacambo, since they remember having conversion in a coffee shop of the 18th century Venice, where Cacambo was reading Voltaire s novel Zadig . There is a difference between them. Whereas Pangloss is in possession of the Elixir in both of its dimensions, the one extending the physical lifespan and the other making possible the transmutation of metals into gold, Cacambo has no access to transmutation. Pangloss makes the promise of donating gold to Cacambo, but as the operation making transmutation possible, happens to take place only in particular points in time, they converse on the world of the present in the expectation of the moment when...
