Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

BrandyLane Publishers, Inc. Paperback. Book Condition: New. Paperback. 104 pages. Dimensions: 8.4in. x 5.4in. x 0.4in. Late in 2009, Weldon Bradshaw was diagnosed with primary sclerosing cholangitis, an incurable, autoimmune liver condition. Over the next two and a half years, as the disease progressed slowly and his liver and health deteriorated, his prognosis grew bleak. By November of 2012, his doctor informed him that if he didn't receive a transplant, he'd be dead within the week. Through it all, Weldon remained steadfast to the promise he'd made his family at the outset of his illness: he would be there to dance at his granddaughters wedding. A high school cross country coach and lifelong athlete, Weldon was accustomed to tests of endurance, spirit, and drive. But nothing could have prepared him for this—the race of his life. It would be a race against time and chance and hopelessness in the face of devastating odds. It would be a race for a miracle. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
