Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

Michael Laurence Curzi, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The One Book is a philosophical treatise pertaining to the nature of all things from the Creator s perspective. The One Book was channeled from the Akashic Library and is a unique perspective on waking up, awakening, ascension, and Life, A must read for anyone on the path of self Discovery!!! The One Book was the answer to my prayers. I prayed to what some call the Universe, Others call the Multiverse, Many Call Yahweh; the Hindi call Krishna, Hermetics call THE ALL, Muslims call Allah, and I prayed for many years for an account of creation from the creator s point of view. My prayer was answered at the time when I was ready and God channeled this text through me onto paper. It is very short, and yet, incredibly deep with meaning. Each Time I read The One Book, which the Creator gave to the world through my hands, I feel a greater joy than ever before. The d104 was a work of the Most High and I cannot take credit for the work. I was on the other hand merely the conduit for this text to manifest. If you have any interest in seeking your inner truth, awakening, or ascending in conciousness I strongly urge you to take the small ammount of time it would take to read this short but concice work gifted to all of us by the Most High. I pray it will bless you as it has me! Enjoy!!!
