Brand New Book ***** Print on Demand *****.As a caregiver full of despair and loneliness, Rose Lamatt enters a chat room on the Internet for the first time. She finds a different world than the one she s used to. Night after night, she signs into the same chat room, meeting people who listen to her, people who are passionate, loving, and at times just as depressed as she is. At times she lives her life through these online friends. They save her from the everyday trials of caregiving. They are there each night keeping her connected to someone, something, not feeling alone and empty. For more than ten years, Rose shares a friendship with these souls, living their hopes and dreams, sharing their heartaches and happiness. Support from these friends, inspired Rose to write this story. This could be called a memoir, all but for one thing.

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
