Vintage. 1 Paperback(s), 2012. soft. Book Condition: New. (One of Daedalus's 25 Books to Read by Labor Day) "I experienced that sinking feeling you get when you know you have conned yourself into doing something difficult and there's no going back." From this seemingly inauspicious beginning, Robyn Davidson chronicles her remarkable 1977 trek across 1700 miles of Australian desertthe source for the 2013 film of the same name starring Mia Wasikowska and Adam Driverwith only four camels and a dog for company. Davidson emerges from her odyssey transformed; driven by a love of Australia's landscape, an empathy for its indigenous people, and a willingness to cast away the trappings of her former life, she is an inspiring and courageous heroine."Vivid and vivacious. Davidson is as natural a writer as she is an adventurer."The New Yorker"The integrity of this articulate and impassioned account is evident in the fact that Robyn Davidson does not find glib solutions to inner or outer conflicts. Like her camel companions, she seems temperamental, insatiable, and slightly crazy, but also determined, direct, vulnerable, and splendid."500 Great Books by Women "Beautiful, thrilling and ferociously brave, Robyn Davidson's timeless story of her astonishing journey gripped me from the first page to the last. Tracks is an unforgettably powerful book."Cheryl Strayed 270.
