HOW TO TRUST YOUR HUMAN (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Losing a sibling is hard. Losing three of them is even harder. Repairing a broken bond of trust is harder still. After his three brothers disappeared, one after another, gone to a mysterious place known only as The Rainbow Bridge, Buddy the degu is all alone in his cage. Confused and frightened, he knows only one thing for certain: he last saw his brothers in the hands of the human caretaker. That knowledge breaks the bond of trust forged between Buddy and his human in the years since he was a pup, and leaves him convinced that letting her get her hands on him will mean he disappears too. Somehow, she has to convince him he s wrong, and earn back his trust. Based on actual events that took place in the life of one of the author s own degus, and told from the point of view of a degu, this is the story of how patience and love taught a confused and terrified rodent how to trust again.
