

A Theory of Countertrade Financing of International Business (Classic Reprint) (Paperback)

By John E Parsons

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Theory of Countertrade Financing of International Business Estimates of countertrade s share of world trade from other sources sometimes range as high as 30 and 40 or as low as Press reports in general create an exaggerated impression of the magnitude. It should also be noticed that most measures refer to the amount of trade for which some level of countertrade is required: the countertrade goods do not always cover the full value of the material originally received. And sometimes they are greater than that value. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
