

Lege Et Ora: Read and Pray (Paperback)

By Nathan Clay Brummel

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this book the author connects two Christian disciplines that must always be wedded; meditating on Scripture and praying to God. Why is it that we give in to temptation so easily? We do not meditate on God s Law day and night. Why is it that we worry? We think that we are too busy to pray and we do not believe that our Heavenly Father answers our prayers like He does. The author encourages the reader to pray by talking about the nature of prayer, the Disciple s Prayer, the kind of prayers that God promises to answer, for whom you should pray, and how a Reformed Christian should be a public mystic.
