Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Shipping Container Homes Understand Shipping Container Homes in Under an Hour For many years the purpose of a retired shipping container that had been at sea too long was just to store gym equipment at the back of schools or to act as the office of a foreman at a construction site. Now though, people are seeing the value of cheap and mobile building blocks that, with a little help, can become near indestructible. With this book you will discover how to take advantage of the flexibility and charm of the shipping container to create a unique home that will live on through the ages. Learn about the process of turning a big metal box into a safe and spacious material to build your home out of. Discover how to get the most of your money with contractors and how best to secure planning permission for a container home. Find the best possible design of home for you, one that will bring your vision to life quickly and cheaply.
