## THE POWER OF COLLECTIVE WISDOM

Mcgraw-Hill Education Ltd Okt 2009, 2009. Taschenbuch. Book Condition: Neu. 214x141x24 mm. Neuware - Collective wisdom refers to knowledge and insight gained through group and community interaction. At a deeper level, however, it is about our living connection to each other and the interdependence we share in our neighborhoods, organizations, and world community. Based on nine years of research, *The Power of Collective Wisdom* shows how we can reliably tap into the extraordinary cocreative potential that exists whenever human beings gather together. Stories and historical examples illustrate how collective wisdom has emerged in a range of cultures, settings, and traditions, and the authors offer a set of practices to help readers realize the key lessons of the book. Praise for *The Power of Collective Wisdom* This book, full of experience-based principles and practices, can help everyone learn how to access the wisdom of groups and communities. Equally important, it can help us avoid the power of collective folly -- and, I might add, collective evil -- of which we have seen too much in our time. -Parker J. Palmer author of *A Hidden Wholeness*, *Let Your Life Speak*, and *The Courage to Teach* *The Power of Collective Wisdom* gives the world a new vocabulary to distinguish the various states and stages of wisdom. Finally, a book that explains what collective wisdom is, and how to harness this wisdom if we hope to survive as a species! -Peter Coughlan, Partner and Coleader of Transformation Practice, IDEO Wisdom appears most readily when we are willing to be together, in patience, acceptance and curiosity. This gift of a book reacquaints us with this fundamental human experience and provides gentle, skilled guidance for how we might encourage wisdom to enter us. -Margaret J. Wheatley, author of *Leadership and the New Science* and...
