HarperCollins Publishers Inc. Hardback. Condition: new. BRAND NEW, B Is for Beer, Tom Robbins, A Children's Book About Beer? Yes, believe it or not--but "B Is for Beer" is also a book for adults, and bear in mind that it's the work of maverick bestselling novelist Tom Robbins, inter-nationally known for his ability to both seriously illuminate and comically entertain. nce upon a time (right about now) there was a planet (how about this one?) whose inhabitants consumed thirty-six billion gallons of beer each year (it's a fact, you can Google it). Among those affected, each in his or her own way, by all the bubbles, burps, and foam, was a smart, wide-eyed, adventurous kindergartner named Gracie; her distracted mommy; her insensitive dad; her non-conformist uncle; and a magical, butt-kicking intruder from a world within our world. Populated by the aforementioned characters--and as charming as it may be subversive--"B Is for Beer" involves readers, young and old, in a surprising, far-reaching investigation into the limits of reality, the transformative powers of children, and, of course, the ultimate meaning of a tall, cold brewski.
