YUFFIE BUNNY STORY IN PICTURES.: A JOURNEY INTO HER SOUL. (PAPERBACK)

Me Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.YuffieBunny has been modeling cosplay, high fashion and alternative fetish since 2003. In this short time she has acquired a world wide fan base due to her appearances at anime and comic conventions across the United States, various magazine publications around the world, high profile runway shows, modeling events, TV and movie spots and a huge collection of varied internet publications. Her focus has always been on her cosplay and the overall nerd fandom but what sets her apart is her ability to morph from character to character not just within the cosplay world but in the fashion industry as well. Her portfolio is one of the most unique collections of modeling, containing a little bit of sugar and a little bit of spice. Yuffie s experiences have given her the opportunity to do what she loves and start her own company, Head Kandi, that deals with cyber lox and cyber hair falls. Never forgetting her roots she now also vends at the conventions that host her as a guest, panelist or general industry attendee, keeping her style as she always has; fun and friendly. Yuffie is a girl who is on a never-ending quest to always better herself and her modeling. This book is only an example of what she s capable of.
