Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Exploring the downfalls of being a freelance writer, this cautionary tale explains what happens when one becomes self-employed, celebrating cubicle-free living through a brilliant comic narrative on the real-life ups and downs of a full-time writer. For more than a decade Stephanie Dickison had been successfully publishing features and articles while working a full-time job. But in December 2005 she left the secure world of 9 to 5, opting to write freelance in order to pay the bills and hoping to finish a manuscript that was close to five years old. With valuable insights about time management, networking with magazines and newspapers, as well as conducting celebrity interviews and writing feature articles, this valuable resource will inspire many industrious dreamers to take that long-delayed leap and become their own boss.
