Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Here s the deal! Whether I m the luckiest numerologist in the whole world or this is about the Theory of Everything. . I give until you re done reading the last chapter but you better have an answer by then because if not you better pick up a pencil and a piece of paper and start rewriting Physics and Mathematics from scratch! I mean it! Numerologists have been around forever. Albert Einstein was one of them; he always believed that numbers had a particular way to communicate with us. I think I found the language and they told me their secrets. This book is a living proof of that.
