Once you ve mastered the basic recipe, you can create almost any colour and flavour combination you like. But you don t have to stop there! In this adorable book, experienced pastry chef Loretta Liu shows you how to take the macaron one step further. First, achieve a batch of perfect light-as-air macarons as your base and then decorate them to create edible art that will delight and amaze your friends and family. Follow Loretta s expert step-by-step instructions to achieve a wide range of finishes - there are techniques here for both the beginners and the more experienced bakers and sugarcrafters. The abstract patterns, brushwork and gilding in Simple Designs make perfect petit fours when entertaining in style at home; little ones will squeal with delight at the ideas in Playtime (as will the child in all of us!) - these include a panda, teddy bear and bunny rabbit.
