WestBow Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In a society consumed with materialistic indulgence and a relentless quest for contentment, Where s Your Focus? reminds us that God does indeed have a purpose for each of our lives. Where s Your Focus? has a threefold premise: Much of the busyness and activity of the Christian community may be without relevance or eternal significance. All ministry, indeed all activity in the church, must be evaluated in light of the biblical mandate to bear fruit for the kingdom of God. The church must never lose sight of the essentials: salvation of the lost, training of disciples, and building up of the body of Christ. A properly focused life is one that invests in the lives of people while maintaining a consistent walk with Jesus Christ through prayer and the application of God s word. Where s Your Focus? comes from the life and ministry of one who, for forty years, has traveled the parallel paths of Christian ministry and the practice of optometry. The inspiration and authority of the Bible, the lordship of Jesus Christ, and the reality of eternal life come through loud and clear. Where s Your Focus? is a welcomed resource for anyone who wants to live a life properly focused.
