By Patricia Parsons

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The media turned him into a medical God; it will take only one reporter to turn heaven into hell. It has been called undeniably miraculous; it has been called intoxicatingly awe-inspiring. Just as often, it has been called ethically treacherous. Right or wrong, organ transplantation has been one of the most high-profile medical technologies over the last half a century engendering both reverence and revulsion. But the people who make these miracles happen are rarely the gods and goddesses they may appear to be. Set against the backdrop of this search for immortality by developing patch-work people, *The Body Traders* is the story of a young newspaper reporter, Eve Cochrane, who is assigned to write a series of public relations pieces about the local university medical center's transplant program. Facing a crossroads in her own career as a journalist, Eve finds that her nice little feature story might be more interesting than she had first thought. Dr. Daniel Curtis is the charismatic head of the transplant program who has his own reasons for wanting the program to flourish...
