Aaron Book Publishing. Paperback. Condition: New. 112 pages. Dimensions: 8.3in. x 5.5in. x 0.6in. A great story of friendship, courage, loyalty and life in-general in the American West. Set in the turbulent post Civil-War years in Cool, Texas this book takes the reader (through first person perspective) on a journey with the main characters. The reader doesnt just read the story, through the unique first-person perspective, they become a witness to the events as they unfold. Heres what others have said: In The Delmer Green Series, author Tim Rouse manages to put the reader right in the middle of the story and action. Told in first-person, genuine western slang, The Delmer Green Series is a fond and fun fable, reminiscent of the classic western novels by Zane Grey. Rouse, like Grey, has a knack for tying his characters into the land, and the land into the story. Plain-spoken anti-hero Delmer Green is only one of many colorful characters youll meet. If you like spirited tales of the old West, youll love The Delmer Green Series. Maybe its no accident that most of the story is set in a town called Cool, because this is one cool story. - Lightnin Charlie Recording Artist and Author of OFF THE RECORD The Trials And Tribulations Of A Travelin Troubadour This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
