Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hydroponics Gardening: How to Start Hydroponics System, Save Dollars, and Time Hydroponics is a technology for growing plants in nutrient solutions with or without using an artificial medium to provide mechanical support. It can be simply described as growing plants with water and nutrients and without soil. The root system hangs directly in the nutrient solution, or be misted or be enclosed in a container which is filled with substrate. This ebook will introduce you to the world of hydroponics, how you can grow plants through this method, what special requirements do they have and how they can save you money and time.
