Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Butler s Physical Geography The great advances made in geographical research during the past few years have placed Physical Geography among the essential studies. The volume which the publishers herewith present embraces the latest discoveries in geographical science. In the chapters on Vulcanology, Ocean Hydrography, and Meteorology, there is much new material which has never before appeared in a school text-book. The contents have been so arranged that the leading principles are found in the text, while other relevant matter of instructive nature has been placed in the notes. By this arrangement clearness of statement has been obtained, which makes the volume adaptable to schools of all grades. Acknowledgments are due to the U. S. Coast and Geodetic Survey, the U. S. Geological Survey, and the U. S. Hydrographic Office, for valuable information. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
