*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Brand New Book ***** Print on Demand *****.December 25, 2015 Forty-nine years ago today, I began a journey on the Narrow Path. A journey that would take me into a world that just two days earlier I d have never imagined or even considered. God not only saved me on Christmas Eve, but between going to sleep that night and waking on Christmas Day, God called me to a lifetime profession of Him as Savior and servant to others. I was on my way to becoming a pastor. That journey saw me take many interesting twists and turns. From being drafted, and nearly being on a plane to Viet Nam; to a miraculous discharge from the army (but not until I was in long enough to get enough of the G.I. Bill to cover my education for the ministry). And that education was a miracle in itself. I went from flunking out of Junior College three years before being drafted to fight in Nam, to return to college, and getting straight A s and gaining additional academic scholarships. God did many awesome things as He led me down the path to the ministry. I have been through so many ups and downs, defeats as well as victories, that it took writing a book just to cover the lifetime of events and the ongoing spiritual war I went through, just to arrive where I am today, leading this fabulous online ministry and becoming an author. My prayer for each of you is that you not only be born-again, but that you are growing and going forward in your new life for Jesus. The greatest gift I ever received in this life was not life itself, but rather a second chance...
