Is your work robbing you, your family and your friends of time to relax and enjoy being together? What has happened on your job? Are you like the many employees who think their managers are too demanding and their workload unbearable? Do you feel trapped by impossible management expectations that just cannot be fulfill during normal working hours? Does your job interfere with having a satisfying social and family life? That s the proverbial snare of living to work instead of working to live. It isn t a new phenomenon, but it has gotten worse during the highly competitive economic times. Both employers and employees are often frustrated by the need to produce more and more in the same amount of time. Fortunately, an answer does exist. Productivity expert Simon Wright guides you into ways you can take action to relieve much of this pressure and resume a balanced, healthy lifestyle. Your boss will be pleased with the higher efficiency and productivity because it makes him or her look better. Even before you finish the book, you will have learned valuable lessons to help manage that tension between the demands of a successful career and your personal life and relationships. At just \$3.99, who could resist such a valuable resource from such a well-respected source? In The Work And Life Balance Guide will help you answer the question. Do you find your identity in your work or in your personal life? Do you love your work more...
