Once upon a time there was Beauty and there was the Beast. The spinners of tales would have you believe these two fell in love and lived happily ever after. The spinners lied! The Beast was a shifter and Beauty became a huntress and founded a long line of huntresses aided by the power of silver magic. Kieran Belle is a descendant of the House of Beauty and a tracker who longs to live a life free of killing shifters. Aided by his father he escapes to college in Little Rock, Arkansas where he meets the boy of his dreams, Corwin Cooper. Corwin Cooper is a descendant of a clan of shifters, who has never shifted himself. Having finally decided to go to college, Corwin arrives and meets the mate his inner wolf cries out to claim for his own in Kieran Belle. Ancient prophecy says Kieran is destined to become the legendary Silver Hunter. Dark forces seek to derail prophecy and end the House of Beauty. Can a child of the shifter-hunting House of Beauty and a descendant of shifters find love and happiness or will dark forces and opposing heritage tear them apart?.
