

I Energy (Paperback)

By Gonzalo W Benard

Blurb, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.(2nd edition, revised) How much are we disconnected from the reality as it is? Old shamanic wisdom is only now being proven and backed by scientists and physicians. Is that what we need to feel safer and start understanding the meaning of life? A long time ago men believed that the Earth was the center of the Universe. Later on we finally discovered that the sun was the center. To realize some time afterwards that we re in a galaxy. amongst others, in a Universe that we thought was unique. It isn t. There s a Collective Consciousness in the whole Multiverse. And we are all part of it: we all have an important gift to share. Amongst other issues that have been worked on by old Shamans and Buddhists for ages, science has already proven that humans have energetic auras, and organs that sense energy. That we inherit memories from our ancestors, and that meditation repairs telomeres in DNA, which slows the process of aging and speeds the process of healing. And finally that we re made of energy. Pure energy and frequency. And...
