

The Mystic Manager (Paperback)

By John P Cicero

iUniverse, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Mystic Manager is a vision for the future and a counterbalance to the disturbing economic times we face - times brought about by greed and misuse of corporate power. The book is personal and a contribution placed into the collective unconscious to do what good it can. Mystic Management is a unique approach to the development of positive corporate culture. The building blocks for this culture are creativity, empowerment, generosity, kindness, integrity, and diversity. The inspiration for this culture evolves through the cosmic linking of two planets, the Planet Eyespell and the Planet Earth. The author promised himself he would never write a typical management textbook. The Mystic Manager is the fulfillment of that promise combining solid management theory with a highly developed sense of community and ethical behavior bound in a fantasy/sci-fi environment. The book fits no genre exactly. It s not fiction, but certainly not non-fiction . . . and therein lies its flavor, unique.
